CITIZEN'S TICKET VICTORIOUS IN CITY PRIMARY TUESDAY

3 New Stockholders at First National Bank

It has just been announced by The First National Bank that Seely Lamkin and Mack Akers of Cameron, and Cecil R. Criswell of Buckholts, have become associated with the bank as stockholders.

Mr. Lamkin will also occupy the position of Vice President He brings with him a very wide knowledge of the people of Cameron and Milam county and a beneficial knowledge of banking. He was at one time vice president and director of the Texas State Bank and Trust Company, which institution eventually consolidated with The First National.

Mr. Akers and Mr. Criswell are well known as very successful business men and have many friends throughout this area.

Vernon Roberts and Lester Williams, who have come into The First National Bank as Chairman of the Board, and President, respectively, have many years of banking and financial experience behind them.

Mr. Roberts served a period of six years with the Citizens National Bank of Cameron as assistant cashier, and Mr. Williams served a period of eighteen years with the Citizens National Bank, the last seven years being in the capacity of cashier.

August Gurecky, who has recently been made cashier, has been with the First National Bank for nineteen years. He spent three years with the Texas State Bank and Trust Company. He has many friends and is widely known throughout this district.

Ernest Vogelsang, who was made President of the bank, following the death of the late H. M. Hefley, was elected Vice President at the time Mr. Roberts and Mr. Williams bought into the institution. Mr. Vogelsang will continue as Vice President. He is widely known for his business ability and livestock and ranching operations and has the friendship of thousands throughout this area.

I. G. TOMASEK FOUND DEAD NEAR PETTIBONE

I. G. Tomasek, pioneer resident and farmer in the Pettibone community, was found dead around 7:30 am., Sunday, February 3, 1946 near a road crossing on the Santa Fe rails near Pettibone.

Mr. Tomasek was last seen in Cameron around 8:30 p.m. Saturday. His body was discovered by Frank Walzel who was on his way to his farm south of the Ad Hall community Sunday. He called Sheriff Carl Black who made an investigation.

Sheriff Black said that Santa Fe officials were called. It was concluded by the sheriff and others that Mr. Tomasek was hit by a south-bound train as he attempted to cross the railroad. His body was found near the rails and a short distance from the guard, one hip being badly mangled and portions of flesh being found on the sharp points of the crossing guard.

Mr. Toamsek is believed to have caught a ride out from Cameron and to have been making was way home from Pettibone south. The railroad crossing is some 50 yards from the highway south and Mr. Tomasek would have to cross the Santa Fe to get to his home.

Mr. Tomasek was 68 years old and had made his home in the Ad Hall community for a number of years.

RENT HIKES KEEPING BUSINESS OUT OF CITY

Rent hikes by Cameron land lords was keeping business out of the city.

One small building in a secondary business block had a rental price of $100 per month when a business from North Texas wanted to lease it for a business.

Advances in rentals has been general in the mercantile area with no corresponding development. Cameron was offering some exceptional investment opportunities for construction of new buildings.

Few buildings have been erected in the city business district in a quarter century.

The housing situation in the resident areas continued acute. There was little prospect the material supply would be increased soon.

Known factors like increased taxes and abnormal demands are not in the picture. Land lords were simply making a little extra hay while the sun is shining and in so doing are not feeding the cow any of the hay.

BELIEVE IT OR NOT

1111

POLLS ARE PAID

There were 1111 poll taxes paid in the city of Cameron, it was announced Saturday morning my W. H. Stafford, assessor and collector of taxes

Mr. Stafford said that this number represents 46 more polls than was paid two years ago. Tax collections, Mr. Stafford indicated, are equally as good.

Poll tax payments preceding general primary election years are always heavy. The number in Cameron does not adequately represent the population figure. Cameron now has in excess of 6000 population.

Rockdale Has Law Enforcement Troubles and Publisher Cooke Unburdens Himself: Column Is Spice for Usual Sparkling Publication

The attack by a negro on the chairman of the local draft board here yesterday afternoon should serve to jolt all of us into the realization of the sad state of affairs in Rockdale insofar as law enforcement is concerned. Like the giraffe, there "ain't no such animal" in Rockdale, it appears.

It is rediculous that a town as good as Rockdale should go to pot in this respect, and it is high time that something is done about it.

The negro was in the Stricker store fully five minutes or more. If Stricker could have told one of his clerks to phone for an officer, it is entirely likely the negro would have left on the spot. Or an officer could have been there by the time the negro started to skip out.

This incident is just one of many. To hit just a few weak spots in recent weeks: There was the night when a drunk drove crazily around Rockdale for an hour or two the other night, finally overturning his car in making a corner right in town. There was the drunk who threatened the woman proprietor of a local cafe the other night with a beer bottle and a six shooter. There was the incident just the other night when the two drunks went on an automobile spree around town, winding up by ram-

W. D. MATTHEWS DIED IN LOCAL HOSPITAL TUESDAY

Wiliam Dudley Matthews; 84, died at the Cameron Hospital at 8:00 p.m. Tuesday, February 5, 1946.

Mr. Matthews became suddenly ill on Monday night, and was carried to the hospital early Tuesday morning. He had not been feeling well for the past few weeks, but his condition was not regarded as serious until Tuesday.

Mr. Matthews had been engaged in farming most of his life, and lived near Buckholts for the past 30 years.

Among the survivors are the following children: Mrs. D. M. Martin, Temple; Mrs. O. L. Smith, Buckholts, Fred Matthews, Galveston, and Jim, Bob, and Lee Matthews, all of Buckholts. Also 22 grand children and 9 great grandchildren survive.

Mr. Matthews was a member of the Church of Christ. His funeral will be conducted by Rev. U. S. Luckey and Rev. Joe Music, both of Fort Worth at the North Elm Baptist Church, at 3:00 p.m. Thursday, February 7, 1946. Burial will be made in North Elm Cemetery.

The body will remain at the family residence near Buckholts until the funeral hour. Green Funeral Home will conduct arrangements.

HUDSON'S NEW CREATION NOW ON DISPLAY HERE

Hudson's new car, a sensational new engineering achievement, has reached Cameron and is on display in the showroom at Horstmann Bros. Tire Store, local dealers.

The exhibit of the new car in Cameron created a sensation as people admired its ultra-modern lines and heard about its amazing performance with its famous 102 horsepower motor in the super-six and the 128 horse-power in the super-eight.

Mr. Horstmann was well pleased over the reception accorded the new post-war Hudson. Orders are being taken but deliveries cannot be made immediately.

"To me, the outstanding thing about the new Hudson is its low price when we see the amazing quality they have put into this new car," said Mr. Horstmann.

Hudson is an old friend among many car owners in Milam county, and this new model will be more than welcome news to them.

L. J. ROARK

L. L. ROARK CANDIDATE FOR COUNTY CLERK JOB

L. J. Roark, after having served four years as a Reserve Officer in the army of the United States ,announces this week that he is a candidate for the office of County Clerk of Milam County, subject to to the action of the Democratic Primary, July 27.

Now back home among friends after serving the past 18 months in the European theatre, Mr. Roark asks that the voters promote him to the ofice which he seeks. He was born in Thorndale and is a native of Milam county.

Mr. Roark feels that he is well qualified for the office of County Clrek. His ability and character have won for him the respect and confidence of many men with whom he has been privileged to serve and his friends describe him as an ambitious and capable young man who seeks to be of continued service to his country.

As first lieutenant, Field Artillery he has served in England, France, Belgium, Holland and Germany with the Ninth U. S. Army. His awards include the Air Medal with Oak Leaf Cluster, British Service Ribbons for Holland and Germany, the ETO ribbon with two battle participation stars for Central Germany and the Rhineland, and the Victory and American Theatre Ribbons.

Mr. Roark entered the service in April 1942 and previously had served two years with the Texas National Guard. He will be relieved from active duty as a Reserve Officer at the end of his terminal leave on Feb.

TWO ARE HELD FOR ROBBERY EARLY TODAY

Washington county officers were in Temple today to return two Milam county men to jail in Brenham.

Sheriff Carl Black, early Wednesday said that the Sheriff at Brenham had telephoned him that a robbery had been committed, and that Richard and James Earl Phipps, both service men, were being held in Temple where they were arrested last night following the robbery.

A man by the name of Blackman told officers he had accepted a ride in the car driven by the men and a short distance from Brenham he was beaten and robbed, and put out of the car and left by the roadside.

Sheriff Black said he had information indicating the man came through Cameron, and acting on information from Brenham, they were arrested in Temple.

TWO FALSE ALARMS IN ONE NIGHT FOR FIREMEN

Two false alarms were turned in Tuesday night, one at 1:00 a.m. and the other at 2:30 a.m. by some unknown person or persons.

Firemen answered these alarms, one at Chas. J. Brown's Service Station on Highway 77, and the other near Skeezix on Highway 36. There was no fire i neither case.

This is a volunteer fire department and in some cases, very dangerous. The men are anxious and willing at all times to answer these calls and to render their best service. Last night one man's car went into a ditch while trying to get to the fire and he was unable to get a wrecker until 4:00 a.m. today to remove his car.

It is unbelievable that a person could do such a thing as to completely endanger the lives of these men who are ready at all hours to go when and where they are needed.

APOLOGIZES TO THE FIREMEN

Although I was in no way to blame I wish to apologize to the Firemen for the false alarm which brought them to my place last night. Some unknown person turned in an alarm stating that my Service Station was on fire. The firemen, eager, as usual, to respond to these calls came out. I regret very much the mean trick played on them and I want them to know I had nothing to do with it.

MC CULLIN, REICHERT, AND KUNZ NOMINATED

Victory for progress was the verdict of Cameron voters here Tuesday in the city primary to nominate a candidate for Mayor, two members of the Board of Aldermen, and other officials.

A. W. McCullin, popular young business man and president of the Chamber of Commerce, ran away from the Citizens ticket to defeat veteran Chas. C. Smith, by a commanding majority of 216 votes.

August Kunz, war veteran and prominent wood mill owner ,defeated Roy Griffith for Alderman for Place No. 2 by a majority of 22 votes

Ben F. Reichert ,publisher of the Cameron Enterprise ,defeated E. O. Schiller by a majority of 5 votes to win the nomination for Alderman for Place No. 1.

Both Griffith and Schiller have been members of the Council for a number of years.

Jim McGoldrick, a war veteran and prominent as Legionaire and a Veteran of Foreign Wars, defeated W. C. Todd more than 3 to 1 for City Marshal.

Dan Tyson, Secretary and Treasurer; W. H. Stafford, assessor and collecter, and Roy Baskin, city attorney, were all nominated without opposition.

Mayor Chas. C. Smith has held the office longer than any other man in the history of Cameron. When he was elected in 1944 he defeated Mayor Leland Green by 9 votes. Shortly before the election he announced he would name a Planning Board. He appointed the late H. M. Hefley as chairman along with six other business men. The purpose of the Board, said Mayor, Smith, was to plan for the future of Cameron. For some unexplained reason Mayor Smith announced his opposition recently to the Planning Board and its report. Sentiment had overwhelmingly endorsed the report of the Planning Board. Mayor Smith's candidacy was weakened by this about-face on the question of progress.

Mr. McCullin, Mr Kunz, and Mr. Reichert ran as a unit representing crystalized public opinion to take Cameron forward and will take their places on the Council after the General election in April.

Alfred Gerick, CM2c, Receives Discharge

Alfred Gerick, 24, Carpenter's Mate second class, Route 1, Cameron, has received his honorable discharge from the Navy.

Gerick has served eight months in the Pacific Theatre. He has been in the navy since October 5, 1942.

March of Dimes Money Jars Are Stolen in City's Latest Theiving Spree; Juvenile Delinquency May Be Responsible! Children Play Marble Machines

Thievery had reached a low level in Cameron today with the reported disappearance of eight money jars, into which charitable-minded citizens had generously poured their funds in the March of Dimes campaign.

A total of 14 jars to receive contributions to the National Fund for the prevention and treatment of infantile paralysis had been placed in the business district. John R. Hayes, Postmaster and City chairman for the March of Dimes campaign said that eight of the fourteen jars had been stolen. It was reported that some jars are thought to have contained as much as from $10 to $15.

The theft of this money which deprives hundreds of citizens of a share in this noble work is a new low in crime in Comeron. Sober-minded citizens who have been alarmed for some time over the lack of law enforcement in this city and the collapse and irresponsibility of government see in this latest outrage a warning to the whole people that an awakening must be had or Cameron's civic, social, and religious prestige will be weighed in the balances and found wanting.

Perhaps the most shameful symptom of current moral dissolusion is the every-day sight of dozens of small boys and girls clustered about marble machines in the business district. It is perfectly apparent that these children in their swift educational courses of gambling do not have the funds they are lavishly wasting in this dangerous pastime.

Officers might profit in their search for those who lifted these money jars by a careful scrutiny of these wild children who roam the streets all hours of the day and night without parental responsibility. In addition the government if it is to be responsible in a moral sense should prohibit the operation of gambling devices in this city.

Cameron Hotel Purchased by Woodrow Lowe; Is Taking 10 Year Lease From H. M. Akers and Will Modernize Building; Work is Now Under Way

The first major post war improvement to be announced for Cameron was contained in a property transaction made public here Monday morning by H. M. Akers and Woodrow Lowe.

Under the terms of a 10-year lease the Cameron Hotel has been taken over by Mr. Lowe and work has already started on the exterior of the building.

The scope of the improvements call for a complete job of plastering of outside walls, a new roof and the interior is to be redone, chief among the improvements will be the renovation of the lobby. New plumbing and bath fixtures are to be installed and generally the building is to be modernized in every way.

Mr. Lowe announced Monday morning that he had purchased the interest of E. C. Cole in the hotel. Mr. Lowe now becomes sole owner of the lease and fixtures.

H. M. Akers purchased the property from the late Mrs. Reed a year ago. The property consists of the hotel proper, an adjoining building to the west and the space now being rented to the Government Employment service. Mr. Lowe does not get the west building under the lease.

The lease will be effective April 1 to 1955.

Mr. Lowe recently was discharged from the army after many months in the combat areas overseas as a rifleman. He saw much of the violent action on the fronts in the decisive stages of the war when the Germans were beaten. He was a Sergeant. Before entering the service he was a partner with E. C. Cole in the operation of the hotel.

The hotel will continue to be known as The Cameron. It has 35 rooms and was built originally as an opera house. Mr. Lowe is an experienced hotel man and Mr. Akers joined in the feeling that something worthwhile is to be accomplished in providing better hotel facilities for the city.

The improvement in the hotel is the first major face lifting job along commercial row and is a good civic example others might well follow. Hughes & Hobson have the plaster contract and Vince Krupicka of Buckholts has the roof contract. Painting and interior improvement jobs have not been contracted as yet.

SOIL PAYMENTS WILL BE $135,000 IN MILAM

Soil conservation payments to Milam county farmers will total $135,001.00 it was disclosed by Alva E. Sanders, resident manager for the Agricultural Conservation Association.

Mr. Sanders reveals that the conservation program for the farmers of the county will be $300 million dollars.

The money allocated to Milam is distributed to farmers in all sections of the county. During the early days of the farm subsidy the county received a much larger amount of money. Soil building programs are the only sources of federal subsidy except that for dairy feed payments and the sheep and beef subsidy.

In 1945 the ACA paid out $21,833.47 in subsidies for milk production and beef production Of this amount $19,475.38 went to dairies and $2,090.14 and $267.95 went to beef and sheep men.

Among those who attended the funeral at Westley last Monday, of Joe Baca, who died of a heart attack, were: Mr. and Mrs. Louis Havlik, Mrs. Minnie Johnson, all of Temple; and Henry J. Havlik of Cameron.

Mrs. A. J. Gunnels is Improving Here; Still In Cameron Hospital

Mrs. A. J. Gunnels of Hanover is improving in Cameron Hospital.

She has been critically ill from a heart ailment and from pneumonia. When brought here two weeks ago she was placed under an oxygen tent but is now able to breathe normally.

A. J. Gunnels, husband and pioneer, said Mrs. Gunnels has greatly improved and while she may have to remain in the hospital for several weeks yet, she is on her way to recovery.

Misses May and Julia Marshall who have made Cameron their home for nearly half a century, have moved to Strawn where they will make their home with two sisters. Misses Marshalls expect to sell their home here. Many friends in Cameron regret that they will not remain in Cameron.

Mr. and Mrs. Alvin Dorner have moved to Haskell county where they will make their home, and will be engaged in farming. Mr. Dorner recently received his discharge from the service. He served eight months in the European Thearte of Operations with the Air Forces, and flew a B-17 Mr. Dorner is the son of Mr. and Mrs. Albert Dorner. His wife is the former Virginia McCarty of Jones Prarie.

Pvt. Henry A. Havlik who is stationed at Camp Fannin, spent a three day pass at home with his parents, Mr. and Mrs. Henry J. Havlik.

Members and officers of the Woodman Circle, Grove 996 held their business session on last Tuesday evening. At the conclusion of the meeting a show at the Cameron Theatre was enjoyed.

Lt. Col. M. M. Grove, a Chaplain in the army, is here on terminal leave. He returned to the States in December and is now in Cameron on a visit with his wife and family. Lt. Col. Grove for several years was pastor of the First Christian Church here, and volunteered for service. His wife and boys have been making their home here during his absence.

Wilbert Joseph Sutter of Cameron ras re-enlisted with the Regular Army at the San Antonio Recruiting Office, for service in the Army Air Forces.

Pvt. Frank Kopriva Receives Discharge

Service men who were honorably discharged from the army at McClosky General Hospital, Temple, included:

Pvt. Frank A. Koprika, Jr., Rt. 2, Buckholts, 2nd Division rifleman, who was wounded in Gertnany December 18, 1944. He has been in the service five years and two months. Pvt. Koprika wears the Purple Heart Medal and Combat Infantry Badge. He plans to return to Buckholts and his former occupation of farming.

Mr. and Mrs. Joy G. Vaught of Fort worth were recent visitors in the homes of Mr. and Mrs. Elmer Williams of Buckholts and Mr. and Mrs R. L. Wheeler and Mr. and Mrs. C. B. Baskin of Cameron. Mrs. Vaught is the former Miss Frances Baskin, youngest daughter of Mr. and Mrs. C. B. Baskin of Cameron

Crime Rose 8.4% in Year, Survey by FBI Reports

WASHINGTON. — The Federal Bureau of Investigation reported recently an increase of 8.4 per cent in crime from January to July compared with the same period last year.

A survey by the FBI based on statistics from 392 cities of more than 25,000 population showed these increases:

Murder and non-negligent homicide, 4.3 per cent; 9 per cent in rape, 10 per cent in robbery, 11.3 per cent in aggravated assault, 12.1 per cent in burglary, 7.9 per cent in larceny, and 4.6 per cent in automobile theft. On the other hand, negligent man-slaughter declined 1.6 per cent.

A comparison of records covering crime in cities of more than 100,000 population for the first six months of the prewar year, 1939, with the same period of 1945 showed an increase this year of 46.2 per cent in aggravated assault, 35.7 per cent in rape, and 14.5 per cent in automobile theft, the report added.

Nose-Gunner No More, Skunk Is Bomber Pet

PRATT, KAN.—Mascot for one B-29 bomber crew at Pratt army air base is P. U. Flyaway—a defumed skunk.

Popularly known among the crew members as "P.U."—others are inclined to view him a little doubtfully—Flyaway has 43 hours flying time.

The crew had hoped to take the little non-stinker into combat over Japan.

"We would love Flyaway even if he weren't deodorized," said Capt. John A. Maksimiuk, skipper.

His Timepiece Didn't Stand Still on Trolley

CHICAGO.—Dr. David P. Boder, a psychiatrist, reported to police the loss of a memorial watch he had had 20 years. He noticed it was missing after alighting from a crowded streetcar.

Six hours later John Kelly called the doctor at home and said he had found the timepiece, inscribed with Boder's name, hanging to his coat button. A fraternity key on the chain had looped the button, pulling the watch with it.

Staff Sgt. E. O. Schiller, Jr., is back from overseas duty, and he and his wife are for the present with his parents, Mr. and Mrs. E. O. Schiller, and he has taken up his work with his father at the Schiller Pharmacy.

CAMERON, TEXAS

TEXAS is on the March!

TEXAS is on the march INDUSTRIALLY . . . driving forward under full power to provide more jobs and continuing opportunities for its people. During war years, Texas demonstrated its industrial capacity and capability when its industries fulfilled $6,418,810,000 worth of war contracts involving the production of planes and parts, explosives, synthetic rubber, steel, magnesium, gasoline, oil, and a long list of other materials and supplies requiring skilled labor.

During the war years, Texas' industrial production rose from $450,000,000 annually to two and one-half times that amount on war contracts alone. This has resulted in expansion of plant facilities and labor force, and peace-time plans which call for even greater industrial production than during the war.

As rapidly as building materials and machinery become available, Texas cities and towns are witnessing the building of new and the expansion of existing factories and shops. Texas has everything needed by and for industry . . . an abundance and diversity of raw materials and natural resources for converting into manufactured products, mild climate, excellent transportation facilities, highly intelligent and easily trained native labor . . . and abundant cheap electric power. Furthermore, Texas is the gateway to the Latin Americas, whether by land, by sea or by air.

By the processes of reconversion and by wise and careful planning, Texans swing into 1946 determined to make the most of their state's vast resources.

Texas Power & Light Company, a pioneer Texas institution, joins all of Texas in inviting the immediate attention of American industrialists to the opportunities offered by the Lone Star State.

As abundant, dependable and low-cost electric power from TP&L transmission lines was a vital factor in producing for the war, so is it now in producing for peace. This Company's industrial-minded manpower, as well as its vast power facilities, are at the disposal of those seeking to develop new or to expand existing industrial opportunities in Texas.

CARD OF THANKS

We wish to express our heartfelt appreciation to our friends and neighbors for their many acts of kindness extended to us during the illness and death of our husband and father, Mr. A. J. Garner

The Garner Family.

IN MEMORY OF OUR MOTHER, MRS. R. N. TURNEY

Who passed away one year ago.
So lonely it is since Mother has gone,
How we miss her no one can tell
Since she took her flight to the heavenly home
Forever with Jesus to dwell.
"Dear mother we know you are safe from earth's harm,
Your cares, pains and sorrows have flown.
You are resting secure in the strong loving arms
Of Jesus forever at home.
Nevermore can we hear that sweet gentle voice,
Nor look on the face we love,
Until with thee in heaven we all shall rejoice,
In that beautiful region above,
In that beautiful home where the soul never dies,
With redeemed ones forever to be.
Where no sickness ever comes,
And no tears to dim her eyes,
Dear mother is waiting for me
And when our missions on earth are done,
When life's weary trails are o'er
By the grace of God, through the death of his Son,
We shall meet you on Canaan's bright shore.

By Mrs. W. W. Lantrip,
Mrs. J. L. Lankford,
J. D. Turney.

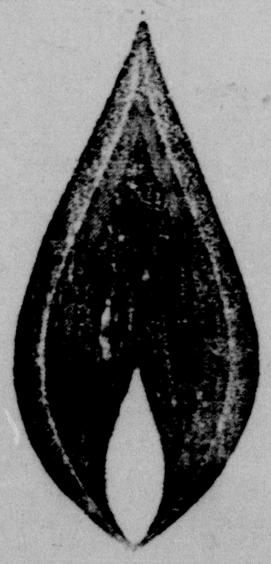
THE PRETTIEST KITCHEN
is only as good as its range

and in Southwest 98% Prefer the GAS Range



There is no special and costly installation job to add to the price of an automatic gas range. It is as simple to install as it is to use.

Entirely new and possible only with the gas flame is a wonderful dual-purpose broiler which is a feature of many of the automatic gas ranges now coming off production lines. With this two-in-one innovation you not only can broil meat in the usual way, but for the first time in home-cooking history, you can actually barbecue or "flame-roast" large cuts of meat or fowl.

This innovation is made possible by a specially engineered "hi-lo" burner, which is adjustable to high regular broiling temperature . . . or slow-roast for large cuts under flame temperatures as low as 200 degrees. The cooking compartment is extra large with a number of rack positions for adjusting the broiler pan at various distances from the burner.

Being only one of many improvements, this innovation is another reason why Southwest homemakers prefer the magic of the gas flame for cooking.

Clarkson H. D. Club Meets

On Thursday, January 31, Mrs. M. Lamke was hostess to the Clarkson H. D. Club. The meeting opened with recreation in which Mrs. John Wimberly was awarded a prize.

Seven members answered roll call with "tips on cutting." Our agent, Miss Johnson gave an interesting lesson on altering sleeve patterns, the use of shoulder pads, and checking commercial patterns by the use of a foundation pattern.

At the close of the meeting the hostess served caks, sandwiches, potato chips, jickles, cookies and hot cocoa.

Our next meeting is to be on February 14th with Mrs. John Wimberly. The following night our club will sponsor a community party at the Clarkson school house and everyone is welcome.

Phone us the news item you have.

Community Party

At Maysfield School, Friday night, February 15th. Good musice and refreshments. The public is invited. Service men are cordially invited to come and enjoy the evening.

Two Charged in Regal City With Drunk Drive And Peace Disturbin'

Cecil Holloway of Cameron and Howard McKay of Temple were arrested in Rockdale Friday night by Sheriff Carl Black after their car had crashed into two others here. The two men also broke out a glass at Henry's Super Service Station.

Holloway was charged with drunkenness and disturbance and McKay with drunken driving, Sheriff Black said.

McKay was charged with driving his car into a pickup and a sedan belonging to Lon Sloan of Rockdale. The pickup and car were parked in front of the Coffield apartment house and McKay's car crashed into them as he turned the corner.

Witnesses said Holloway broke a glass at the service station with his fist in a fit of anger while using the telephone.

Sheriff Black took the two to the county jail at Cameron, and charges were filed against them—Rockdale Reporter.

Yoemen Win Handily From Thorndale Here

The Yoemen won their game from Thorndale here Friday night in easy fashion, the A squad taking their game 31 to 24 and the B squad winning 23 to 18.

A correction on the score between the two teams: Cameron has won two out of three played against Thorndale.

THANKS HIS FRIENDS

Ed Giddens, who has been cricitally ill here, has requested publication of the following expression of thanks to his friends:

"In the life of every man, at some time or another, he is reminded of the blessings of friends. That time came to me recently when I was so critically ill with flu and pneumonia. I will always be grateful to my friends for their interest in my welfare. But for them I am sure I might not now be here to commend them for their generosity and concern. I am now on my way to recovery. I shall treasure always the memory of each one who assisted me and there were many. In this way I make my gratitude known.'

5836 Poll Taxes in County Paid To Date

Poll tax payments in the county were comparable in number of payments in other political years.

Up to Saturday morning a total of 5836 polls had been issued and 65 exemptions made. This does not represent the total payments as the office of the Tax Collector was still opening mail placed in time to reach the office for legal payment.

Based upon the payment of poll taxes the voting strength should be as high or higher than any time within recent years.

DariAnn says

Here's a recipe for you who have to bake when you can. Pinwheel cookies! Mix the dough one evening, roll it the next—or the same evening if you're staying up late. Bake them next morning, or next week, or whenever you like. Of course they're made with that DARICRAFT evaporated milk I'm always raving about.

Dari Ann's Pinwheel Cookies

1 ounce (square) chocolate melted in top of double boiler.
½ cup shortening
½ cup sugar
1 egg yolk, well beaten
1½ teaspoons vanilla
3 tablespoons DARICRAFT
1½ cups flour
½ teaspoon baking powder
½ teaspoon salt

Cream shortening and sugar, add egg yolk and vanilla, and beat well. Add dry ingredients alternately with milk. Divide dough into two parts, adding chocolate to one. Chill until firm enough to roll. Roll to ⅛ inch thickness, cut in strips 4 inches by 6 inches. Lay strip of chocolate mixture on the white and roll up as for jelly roll. Wrap in wax paper and put in refrigerator until ready to bake. Slice ⅛ inch thick with sharp knife and bake on ungreased baking sheet in hot oven (400° F.) for 7 minutes.

These cookies are particularly good served with caramel pudding topped with a cloud of whipped DARICRAFT. Yes, DARICRAFT evaporated milk whips beautifully. But—be sure it is *ice cold* before whipping. A dash of lemon juice gives it a pleasant zip. Get some at your grocers today and try it. I keep an unopened can next to the ice chamber in my refrigerator all the time for instant whipping. If you get the "DARICRAFT habit" too, you'll always have a can ready for action.

Bever's Coffee Shop Closed For Repairs

Bever's Coffee Shop will be closed for several days for repairs and rearrangement, beginning tonight.

Mr. Thomas, recently discharged veteran of Naval War in the Pacific said his cafe will be closed until Sunday, February 10th, when it will be re-opened for business again.

Patronage at the cafe has been so heavy the interior must be re-arranged to accomodate a larger number of patrons.

Sherwood McClarren who has been seriously ill at Newton Memorial Hospital for several days is reported to be improving.

Find That Japs Turn Cannibals On Luzon Wilds

Revolting Evidence Found Of Inhuman Acts by Jungle Stragglers.

LUZON.—Strong evidence of cannibalism among isolated Jap stragglers was reported by members of an American patrol returned from the heart of the Sierra Madre mountains.

Officers told of finding one Jap soldier's body mutilated after leaving it unwatched for an hour. They said one of two prisoners taken on their grueling six-day trek pleaded he surrendered to escape the same fate.

The revolting evidence was reported by Capt. Charles Yust of Batson, Texas, who commanded the mountain expedition of 200 38th division troops and 300 Filipinos and Lt. John Banton of Ronceverte, W. Va.

Mutilated Bodies.

"I was leading an advance patrol of 30 men moving along a river when we spotted five Japs," said Yust. "We killed four. The fifth escaped into the jungle but lost his pack and food. When we returned to the four bodies about an hour later, we found that the skin had been peeled from the thigh of one of the dead Japs—a large piece peeled downward from the thigh."

Col. William E. Lobit of Galveston, Texas, regimental commander, said: "There is no organization among scattered Jap groups, even for self-preservation. They don't even share what food they have, but hide it from their comrades."

Yust reported 62 Japs killed on the mission and said many appeared to be still in good health, although usually undernourished. Five in one group had American K rations, which he believed probably were retrieved from a misplaced parachute drop.

Wept When Given Food.

Yust disclosed that one prisoner entered camp, hands aloft, dropping to his knees and bowing. He said the man cried in gratitude after being given food and first aid, telling an interpreter he never was treated so well by his own army.

A second prisoner, English-speaking and self-confident, said Japan would win the war if it had such rations.

Actually, the Japs encountered an American group far from well-fed on this particular mission because planes were unable to penetrate clouds to drop supplies.

The patrol carried rations for only three days. On the fifth and sixth days many men had only half of one meal of canned ration for a full day. Rain and river-wading added to their discomfort.

Lt. William Gray of Jonesboro, Tenn., said: The Japs were eating bamboo roots and I was beginning to wonder how I was going to like 'em."

TO THE PEOPLE OF CAMERON

My heart is overflowing with gratitude to you, the good people of Cameron, for the overwhelming majority you gave me on yesterday, resulting in my nomination for the office of City Marhsal.

I received one of the largest votes ever given in a contested race and it makes me very happy to have this expression of your confidence in my ability to discharge the duties of this important office.

I want those who voted for my opponent to know that I recognize their right to the freedom of choice in this great country of ours. I hold no ill will toward anyone. On the contrary I seek the cooperation of those as well as all who voted for me in the job ahead.

I want to make the people of Cameron a good City Marshal and I know I can do it with your help. I told you I would do my best and I'm going to keep my word. You will have no cause to regret having supported me for this office.

Gratefully yours,
Jim McGoldrick.

ROCKDALE
(continued from page one)

ming their car into two parker cars in front of the Coffield apartments.

The above are just a few incidents that run through my mind. Any Rockdale citizen can recount dozens of others. Rockdale has no law enforcement, no traffic enforcement, no decent jail in which to put an arrested man if there was anyone to make an arrest. Everyone agrees that something should be done about it, but nobody is doing anything, including me.

It is time that petty jealousies and bickering over fees be done away with. City officials and present officers, if there are any officers (a question which no one seems to be able to answer) should get together and iron out this trouble, and the citizens of Rockdale must make up their minds that Rockdale is a growing town and cannot be operated on the plan of a decade ago and under the came conditions of another era. Adequate law enforcement, jail facilities, traffic control and town upkeep and growth are going to cost money and the sooner we awake to this realization and act accordingly the better off we are going to be. The longer we delay, the more things are going to happen and sooner or later a tragedy will suddenly make us realize that Rome has been burning for a long time and the fiddle music we are making is not in the least pretty.

Metal curtain rods, electric wire, radio batteries, and pressure cookers. GREEN & BOEDEKER. (40tf)

ROARK
(continued from page one)

15, 1946.

"I am making this race," says Mr. Roark, "upon my record as a progressive citizen, a hard worker, and a conscientious man and a capable leader. It is through my own initiative that I am seeking this office, and if elected I pledge my best efforts and efficient service to the people of Milam county."

Mr. Roark is a resident of Rockdale and was born and reader in Milam county. He was born in Thorndale in 1922. He feels that this office belongs to the people of Milam county — the young, middle-aged, and the old as well.

"After service abroad," says Mr. Roark, "I am now asking you the privilege of serving you in my native state and county."

CHRISTIAN SCIENCE SERVICES

"Spirit" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, February 10.

The Golden Text is: "The spirit searcheth all things, yea, the deep things of God" (I Corinthians 2:10).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Can any hide himself in secret places that I shall not see him? saith the Lord. Do not I fill heaven and earth? saith the Lord" (Jeremiah 23:24).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Spirit, God, is infinite, all. Spirit can have no opposite" (page 278).

Mrs. Alice Choate and daughter, Mattie, have returned from a weeks visit with Mrs. Choate's son and family, Mr. and Mrs. Tommie Choate of Texas City.

How women *and* girls *may* get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1 Taken like a tonic, it should stimulate appetite, aid digestion,* thus help build resistance for the "time" to come.

2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.
